~~~ From the President ~~~

Hi Everyone!

Hope you all have been enjoying the fall-like weather mixed in with the summer-like weather! We finally had a beautiful night for our bonfire and membership drive.

Thanks to everyone who sold wrapping paper for our scholarship fund. I look forward to seeing everyone at the October 27th meeting at Gerry's house.

Your President,
Joyce Darnell

Good News about Marilyn!

Marilyn is recovering and making progress and had been moved to her own room, room 308 at Northeast Regional Medical Center. She still has a lot of recovering to do, but she is making good progress. Please keep her in your thoughts and prayers.

NEXT MEETING

The next General Membership Meeting will start be on October 27th at 7pm at Gerry Shoop's home located at 1103 Queens Road. See you there!

Innisbrook Sales Campaign

Way to go, Innisbrook Salespersons! This year you sold \$2016 worth of merchandise – the highest amount in the past 10 years! Five members each sold over \$200 worth of merchandise! As soon as we receive the order (probably before the first part of November) and know the shipping costs, we will be able to tell you the amount of money we've earned for scholarships.

Joyce & Sandy

Fall Craft Show Concession Stand

Hello Ladies,

We are going to try a different set-up for concession stand workers for the Fall Craft Show. I am requesting that you sign-up to work a particular station for a time slot. The idea behind this is that to be in compliance with the Health Department regulations for food service, it is very important that anyone handling food must be wearing protective gloves. The difficulty with wearing gloves is the constant on and off or contamination because of moving around getting drinks, getting a sandwich, etc. With changing the set up, each worker would only be responsible for handling what they are handling in their station.

There are still several items on the list that need to be donated. You may email me at lbrown@pfh.org to let me know what you would like to bring or to sign-up to be a worker. I will send out an updated concession stand list the week of October 17th for your review. In addition, the final sign-up sheet will be available at the general membership meeting on October 27th.

I can't remind you all often enough, that it is YOUR generosity that enables our club to have a successful concession stand, which in turns, helps us supplement the needs in our community. Remember that this year's concession stand profits will benefit

Thanks so much for your help and donations!

Here are some quick and basic food safety reminders for the concession stand:

1. No children or non-members in the kitchen.
2. No eating food while in the kitchen.
3. Wear gloves at all food/drink stations.
4. Wash hands when coming into the kitchen. If you step out to shop or go to the bathroom, wash your hands when returning to the kitchen.
5. Do not touch the rim of the beverage cups and use the ice scoop to put ice in the cups. And put ice scoop back in its holder.
6. Do not put your purse or purchases on a surface used for serving food.
7. Don't be in the kitchen if you're sick!
